

REPUBLIC OF KENYA

RURAL ELECTRIFICATION & RENEWABLE ENERGY
CORPORATION

JOB VACANCIES

The Rural Electrification and Renewable Energy Corporation, (formerly, the Rural Electrification Corporation) a state corporation established under the Energy Act, 2019, is mandated to enhance provision of electricity in the rural areas of the country as well as develop, manage and promote the use of renewable energy in Kenya. Through its mandate, the Corporation seeks to improve the socio-economic well-being of Kenyans living in rural areas as well as develop cheap alternatives to sources of energy through the promotion of renewable energy. Since commencing operations in the 2008/09 financial year, the Corporation has endeavored to realize this objective and through its efforts, 70% of all the public facilities have been electrified. Moving forward, the Corporation will put more focus on renewable energy to provide electricity to areas far away from the national grid network.

The Corporation is looking for highly experienced, motivated and results oriented individuals to fill vacancies in the organization. The applicants must be self-driven individuals who are focused and committed to driving the Corporation towards achieving its mandate. They will work with their departmental teams in spearheading/embracing innovations, work ethics and must possess high level of integrity.

Applications are invited from professionals who meet ALL the minimum qualifications for the following positions:
